

SHOT TO DEATH BY MAN HE ATTACKED

Finis Lovett Killed In Rucker's Store Near Bobtown By Claude Spurlock Who Leaves

Sheriff Pete Whitlock and Deputy Sheriff Sam Bush returned Monday from the Bobtown section where they made an unsuccessful attempt to find Claude Spurlock, who shot Finis Lovett to death there Saturday night.

Details of the shooting are meagre. Mr. Bush said that witnesses to the shooting said that Spurlock and a friend, named Ike Burton, stopped by Rucker's store, below Bobtown to warm. Soon Lovett came in. The officer says that witnesses say that Lovett was drunk and made a boast that he could whip any man there and would do so. No one seemed to pay much attention to him, however, until he started out, when he is alleged to have struck Spurlock, and knocked him down, saying that he was going to whip him. Spurlock is said to have drawn his pistol, a .44, and fired at Lovett, killing him almost instantly. Spurlock then got on his mule and left. The officers were told, Mr. Bush says, that Spurlock had gone to Clay county. The dead man is said to be about 35 years of age.

HOLY ROLLERS INDICTED FOR CHILD'S DEATH

Shepherdsville, Ky., April 18.—Indictments have been returned against five members of the "Holy Roller" sect following the death of Marie Sutton, five-year-old daughter of Mrs. Vesta Sutton, who recently died from the effects of burns suffered when her dress caught fire from an open grate.

It is alleged that after medical attention had been given to the child the persons indicted induced Mrs. Sutton to submit the patient to them for treatment, caused the bandages to be removed and undertook to substitute mental treatment and prayer for the remedies applied by a physician.

The indictments charge willful and unmerciful injuring of a child less than 16 years old. The mother is one of those indicted. The others are Mr. and Mrs. Robert Ayers and Mr. and Mrs. R. E. Blevens, all residents of Cupio, Bullitt county. The case will be tried at the August term of court.

Prevention Is Best Pig Scour Remedy

Pig scour, a common ailment among young pigs, is caused by overfeeding the sow, a sudden change in her ration, sour slop, cold, or filthy quarters and chilling of the pigs, according to Prof. E. J. Wilford, of the animal husbandry department of the State College of Agriculture.

According to recommendations of the department this disease is best controlled by prevention. Warm, clean quarters that are properly ventilated should be provided for the sow and her litter and care taken to see that the animals receive plenty of exercise each day. The sow's ration should be reduced and two to six ounces of linseed oil depending on her age be fed in the slop.

UNION COUNTY

Union county was formed in 1811 out of part of Henderson county and was the 54th in order of formation. Morganfield is the county seat. The origin of the name of the county, according to Collins' Kentucky history, is obscure, but he adds that "the generally received opinion is that it was so named because of the hearty unanimity with which the people assented to the division of the old county."

GILBERT WANTS HUN GUNS FOR HIS TOWNS

Here's some good news for the 8th Congressional district towns. A dispatch from Washington Saturday said that Representative Ralph Gilbert of Kentucky introduced his first bills. They provide for donations of captured German cannons to the county seats in his district. Similar bills were introduced by Representative J. Campbell Cantrill for Lexington, Stanton, Owenton, Versailles, Frankfort, Newcastlesville, Winchester, Paris, Irvine, Georgetown and Beattyville. The towns in the 8th district that will get Hun guns if the bill passes are Richmond, Lancaster, Stanford, Danville, Liberty, Columbia, Harrodsburg, Lawrenceburg, Taylorsville, Shelbyville and Nicholasville.

ALLIES MUST ENFORCE TREATY, SAYS GEORGE

London, April 18.—Lloyd-George told the House of Commons today that the German government is still in default with regard to reparations, trial of persons accused of offenses against the laws of war and disarmament. He asserted Germany showed no inclination to advance practical proposals for carrying out the treaty of Versailles in these respects and therefore it is imperative for the Allies to confer about steps to enforce the treaty's terms.

CAN OUR FOREIGN POLICY CAUSE THIS?

Washington, April 18.—America's foreign trade last month was nearly three-quarters of a billion dollars less than the same month last year, figures made public by the Department of Commerce today showed.

MT. STERLING MAN DIES FROM ROBBER'S BLOW

Lexington, Ky., April 18.—Claude P. Stephens, 39, a wealthy business man of Mt. Sterling, is dead at a hospital here as a result of a blow on the head dealt by robbers several weeks ago. He was brought here March 13th and an operation performed in an effort to save his life. His assailant was never captured.

TRACK TORN UP BY BROKEN CAR WHEEL

Paris, Ky., April 16.—A mile of track on the L. & N. main line, north of Paris, was damaged when a wheel on a tank car on the local freight, No. 91, en route to Cincinnati, broke Friday. The tank car, filled with crude oil, finally became uncoupled and left the track, tumbling down a 20-foot embankment. No one was injured and no oil was lost.

The train was running about 40 miles an hour when the wheel broke and before the car was hurled from the track, cross ties were broken along a mile of track including those on the bridge over Houston creek. A force of men from the yards here was ordered immediately to repair the damage.

Loose Baby Daughter

The infant daughter of Mr. and Mrs. John Park, born in Danville early Sunday, survived only a very short time. The little remains were brought here and interred in the Richmond cemetery Monday morning at 11 o'clock. Their many friends extend sympathy in their loss.

Movies at Methodist Church

Dr. B. C. Horton, pastor of the First Methodist church, in Lexington and formerly pastor of the Methodist church in Richmond, comes Thursday night to deliver a lecture to be followed by an interesting motion picture in 4 reels, entitled "Out of the Christian College," at the local church at 7:30 o'clock. There will be no charge of admission, and no collection will be taken. Dr. Horton is sent out by the Christian Education Commission of the M. E. Church, South, and there should be a large crowd to hear him speak on this interesting work. Everyone is cordially invited to attend.

TWO PRISONERS ESCAPE FROM JAIL

Barney Thomas and Dallas Kirby Break Through Floor and Then Kick Out Window

Barney Thomas and Dallas Kirby, who were held in the county jail on whisky and other charges, escaped from the county jail here some time Friday night. The two men, who were confined on the second floor found a weak place in the iron flooring of the toilet room. Long used, water, etc., had rusted and weakened the floor greatly, so they easily punched a hole through it, and then tore an aperture sufficiently large to permit them to reach the third floor above. They emerged into the women's cells, which being unoccupied, were unlocked, and so the two prisoners had no trouble reaching a window. Here the heavy iron screen was kicked open, as has been often done before by prisoners. The old screens are merely nailed into place, and the woodwork that surrounds them is so old and rotten that prisoners who have been able to reach a window unobserved have never had much trouble knocking out the big screenwork and making a getaway.

Turnkey Sam Hunter says that he believes that the two men had outside assistance in their getaway, for scratches on the screen show the men slid down a rope from the third-story window to the ground. Mr. Hunter also says that information was received that a certain man near Red Lick assisted the men to get out the county.

Thomas had almost a year yet to serve in jail here on a charge of bringing moonshine whisky into the county. He also faced an indictment in Garrard county, as he is alleged to have been the man who sold moonshine whisky to Walter Azbill there shortly before he died. Kirby is a well known young man, who was caught with some moonshine coming into town some weeks ago. He had only about 20 days to serve on that charge, but both men are wanted by Federal officers to stand trial in the U. S. Court, as soon as their jail sentences here were completed.

PROCLAMATION

Whereas, this week is set apart for clean-up and fire prevention, and

Whereas, it is necessary to the health and safety of the community that every precaution along these lines be taken.

Now, therefore, I, L. P. Evans, Mayor of the City of Richmond, Kentucky, hereby declare the week beginning Monday, April 18, and ending Saturday, April 23, both inclusive, as Clean-Up and Paint-Up Week.

Every citizen is requested to clean up his or her premises, including cellars and basements, and rid them of ashes, paper, tin cans, and every thing which is unsightly and unsanitary. Upon request to the Street Commissioner, Mr. James H. Allman, the city will remove trash which cannot be disposed of otherwise. If every citizen will try to follow these instructions, it will be but a short time until Richmond will be the most beautiful city in the Blue Grass. L. P. EVANS, Mayor.

HIGH SCHOOL BOYS IN BIG TOURNAMENT

Athletes From All Over State Expected to Compete at Lexington May 6 and 7

The Eighth Annual Interscholastic Tournament will be held at the University of Kentucky on Friday and Saturday, May 6 and 7, 1921. It is expected that it will be the largest tournament of its kind in the history of the state. Heretofore, the tournament has been confined to track athletics, and high schools of the state have been invited to send teams to compete in the contests. This year the scope of the tournament has been greatly broadened through the addition of Interscholastic Debate and other features.

The program for the track events will begin at 4 o'clock p. m., Friday, May 6. Invitations have been sent to all accredited high schools in the state for both track and field events. It is expected that as many as fifty schools will send teams to take part in these events. The events will be as follows: 100 yard dash, 8 men to qualify; 120 yard high hurdle, trial heat, 6 men to qualify; 220 yard dash, trial heat, 8 men to qualify; 220 yard low hurdle, trial heat, 4 men to qualify.

The preliminaries for the field events will also be held on Friday afternoon at 4 o'clock on Stoll Field, and the events will be as follows: Pole vault, trials, 6 men to qualify; shot put, trial, 6 men to qualify; high jump, trial, 6 men to qualify; javelin throw, trial, 6 men to qualify.

The finals in track will be held at 1:30 p. m., Saturday, May 7, and will consist of the following events:

100 yard dash, finals; mile run; 220 yard dash, finals; 120 yard high hurdle, finals; 440 yard run; 30 yard run; 220 yard low hurdle, finals; relay race.

The final field events will be at 1:30 p. m., Saturday, May 7, as follows: Pole vault, finals; shot out, finals; high jump, finals; discus throw, finals; broad jump, finals; javelin throw, finals.

The program for the combined tournament will be printed and available for schools in a short time. Entry blanks for the Interscholastic track meet must be in the hands of Prof. S. A. Boles by April 30, 1921. The University is making arrangements to take care of the large number of visitors expected.

Besides the Interscholastic track meet and the Interscholastic debates, there will be an essay writing contest which is being participated in by a large number of schools. The winner of the essay contest will be announced May 7.

ARMY DEVELOPING CALVARY HORSES

Farmers and breeders have taken up with so much interest the army's plan for developing horses suitable for cavalry and artillery that success in this work now seems assured.

The remount service of the quartermaster corps now has under its control 156 stallions that will all be in the hands of agents for distribution throughout the country soon and reports already received indicate that farmers and breeders are very much pleased with the type.

Breeding operations for the coming season have already been started at remount depots at Fort Royal, Virginia, and Fort Reno, Oklahoma. A few early arrivals are already reported. The 347 colts on hand are of unusual sizes, and give promise of producing some very high class cavalry horses. Of 80 yearling colts at Fort Reno, not one is unsound, weedy or poor type. All of them will make good utility horses with plenty of quality and substance; many of them will prove superior for riding purposes to anything the army has ever had in the past.

Dealers and users of mules are also very much interested in the superior, well-bred filly to be used as the dam for the breed cotton mule so much in demand in the south. This type of mare, along with the cavalry horse, is becoming very scarce.

LANCASTER BOY MAY GET THE BIG PLUM

A dispatch from Washington Sunday said that there was a report that Acting Commissioner Millard West, a native of Lancaster, Ky., was to be named Internal Revenue Commissioner. It is strengthened by an understanding that the President has given to Secretary Mellon full authority to make the appointment, and that experience alone is to be considered in making the selection.

Acting Commissioner West was an Assistant Commissioner under the Wilson administration and has been in the department for 20 years, having been promoted through the various channels of the service. He is a Republican and his position in the former administration was a recognition of fitness, it is asserted.

The curious feature of the fight that has centered about this appointment is that the alleged wet or dry proclivities of the aspirants have been pushed to the fore and little attention given to the fact that under the present tax laws the appointee will be responsible for the collection of approximately \$4,000,000,000 annually.

"Bring Your Own Licker"

Tuesday, April 19, a train load of boosters of Lexington is coming to boost Beattyville for the space of one hour. They will arrive with a flare of trumpets on or about 4:15 p. m. and will march with stately steps to the public square where the boosting will be done to the stirring strains of appropriate music. It is hoped that no local bootlegger will mar the occasion by attempting to sell their wares to our visitors. They are bringing their lunch, let them bring their licker.—Beattyville Enterprise.

CATHOLICS PUT TEAM IN LEAGUE

Mike Enright To Manage New Team and Interest Grows—Three Games This Week

The weather was just so bad Saturday that the Church League game between the First Presbyterians and the First Christians was postponed over to Monday. This game is being played this afternoon at the Normal grounds. On Tuesday afternoon the Second Christian team meets the Calvary Baptist team. These two games were scheduled for last week, but had to be carried over. On Thursday afternoon the First Baptist nine meets the First Christian nine.

Another nine has been organized and is seeking admission to the League, which will be glad to welcome it. It is the nine from the Catholic church. The team was organized by services and Mike Enright, an old ball player and a real

was chosen manager. There are a number of good players in this church, including Father H. B. Schulte, who is a dyed-in-the-wool fan and a former player himself. At the meeting of the league directors Friday, it was agreed to revise the schedule in the event this team was organized, so an early meeting will be held and revision made so that games with the new team may be included.

Interest appears to be very keen all over town in the Church League base ball. A noticeable increase in Sunday School and church attendance on the part of eligible players was seen Sunday, for no one will be permitted to participate in the games unless church affiliations are well known. With good weather apparently on docket for this week, some very interesting games are anticipated. Due to the revival services at the First Baptist church in the afternoon, after Monday the games will be called at 4 o'clock each afternoon that they are scheduled. Suits for the teams have not yet been received, but are expected in Monday in time for use in Tuesday's game.
